

COURTHOUSE RE-OPENING

May 28, 2020

We will be re-opening the Foard County Courthouse June 1, 2020 with temporary hours being 8:30am to 4:00 pm each day. We will have sanitizers at the doors which we recommend you use. We also recommend that a mask is worn upon entering the Courthouse facility, if possible. If you have fever, cough, or any symptoms relating to illness, we ask that you please do not enter the building as we ask this for your protection and ours. Here at the Foard County Courthouse, we are a small staff facility. This is the reason we have kept the doors locked yet were able to continue running day to day business operations. County Government is very essential and through this pandemic we have been able to continue to do our day to day functions.

Thank you for your understanding, and please “stay safe.”

Respectfully,

Foard County Judge and Commissioners
