

UPDATES FROM THE JUDGES OFFICE
JUNE 4TH, 2020

The DSHS reports that the number of confirmed TEXAS COVID-19 CASES have increased 33% in the last two weeks. The number of Texas deaths from Covid-19 has increased by 25% in the past two weeks. Although Texas Businesses and other activities have begun re-opening under the Executive Order of the Governor Abbott, the need for maintaining "Restrictions on social gatherings, distancing and facial covering continues as the only means of controlling the spread of the virus. Droplets expelled by infected persons is the most common form of the spread of the virus. Widespread testing, identification of infected persons, and tracing of close contacts for additional testing will be essential until a vaccine is available. As you can see by reading this, it is not the time for Foard County to let their guard down. Let us continue to stay the course to protect one another and stay safe in Foard County. We thank each of you for being responsible Citizens. Let us all Thank God for his Blessings and protecting Foard County.

In Jesus name, we pray,

Respectfully,

Judge Christopher and the County Commissioners
