

UPDATES FROM THE JUDGES OFFICE

2020 CENSUS

SEPTEMBER 8, 2020

As County Judge, I urge every person living in Foard County to please fill out the 2020 Census Form. The reason why is because "everyone counts." Census Data is very important because It determines the number of seats each state has in Congress and draws boundaries for voting districts. It also determines how \$675 billion dollars, or more, in Federal Funding is spent in our Local Communities each year. The Census is based on head count in your local community and all information is confidential so please take the time to fill out the form. It is so important for small Communities.

Respectfully,

County Judge and Commissioners
