

UPDATE FROM THE JUDGES OFFICE COVID 19

March 17, 2021

Since the last update, we are going on our fourth week with “0” active cases in Foard County. This is great news for our community. As a reminder, please contact our local Clinic (940-684-1515) or Hardeman County Clinic (940-663-6651) if you have not received your shot. The Clinics are now accepting anyone 18 years and older and administering the Johnson & Johnson one shot vaccine. Call and get your name on the list if you are willing to take this shot. This last year has been a very trying year for all of us. Let us continue to remember “For we walk by faith, not by sight. (2 Corinthians 5:7.) “Trust our Faith”, thanking God for hearing our prayers.

“In Jesus name we pray”

Amen

Respectfully

Foard County Judge and Commissioners
