

UPDATE FROM THE JUDGES OFFICE

COVID 19

12/04/2020

With sadden hearts, we have lost more lives from this terrible virus in Foard County. May we all continue to keep these families in our prayers asking for Gods comfort, love, grace and peace.

As of today, we have gone down in active cases (15) since the last update as many have gone into recovery. We are still having positive cases reported, just at a slower pace. We would like to thank each of you for doing your part in keeping this community safe and being respectful to one another through these trying times. Please stay safe and continue following the protocols.

May we all ask God for his blessings and protection for Foard County.

In Jesus Name,

AMEN

Foard County Judge and Commissioners

Mark Christopher
